Financial Report – no financial report

Race Series

Vince Hooper has accepted the race director position. He has begun soliciting sponsors and has a potential Title Sponsor for the series and should know by the end of the week.

The race poster is in the works and waiting for sponsors to be added. Goal is to have the poster ready no later than Nov. 15th and Vince will deliver them statewide.

Suggested name for Jeff's proposal is the NORDIC NEWBIES.

Picnic Table to be placed at the Overlook at Howelsen Hill

Dave Miller and volunteers will build picnic table out of beetle kill to be placed at the Overlook at Howelsen Hill no charge to Nordic Council. Dave proposes that the Nordic Council sponsor that table which involves keeping it painted every 2 years. Even though we did not have a quorum we decided that was a good idea.

Bruces Trail

We had a ATV lined up to groom Bruce's Trail prior to this meeting. We are in need of a set of tracks for the ATV. Ebay is selling tracks at the moment for \$1200. Discussion was if the NC would buy the tracks for this purpose. If so what is the max amount NC would pay for these tracks? Since this meeting this particular ATV is no longer available to us. However, Birgitta will look into other ATV possibilities along with Dave Miller. No vote could be taken due to lack of quorum. Those attending this meeting were in favor.

Next Nordic Council meeting set for October 28, 2009
