

SWIX

Wax Report

Event: Ski Haus Classic/ Lake Catamount ~1/26/08 ~ 10 am start

Weather Outlook:

Over night low~ 10 F

Day time high~ 26 F @ 2pm

Race start temp.~ 18 F

Race start humidity- 75% and dropping

Snow characteristics- New

Notes- Cold skis/fine grind, lots of quality brushing

Glide Wax Recommendation:

Speed at all cost:

Base= CH 6

Top Layer= LF6

Finish Layer= FC1 or FC7

Colder option:

Base= CH6

Top Layer= LF4

Speed for less \$'s: Base= CH 6 / Top Layer= CH4/ Finish Layer=none

Kick Wax Recommendation- Iron in Blue Extra as base/ 4-6 thin layers VR 40

*could bury a layer of VR 45 between layer 4+6 to ensure kick.
